NOTE: This map is a representation of the digital map housed in the Town of Garner Planning Department. It reflects the zoning districts in the Unified Development Ordinance. It is subject to change due to rezoning, future growth, et cetera. Please contact the Town of Garner for updates. This map is compiled from the best available sources and have been registered to the Wake County GIS parcel database. This map replaces the manually rendered Official Zoning Map attested May 19, 1993. The Town of Garner is not responsible for improper use of this map.

Each overlay district has unique development standards. Please refer to the Unified Development Ordinance for the specifics of each district. The Wake County Agriculture District is not a Town of Garner Overlay District but a voluntary Wake County program. We have it mapped since the properties are in Garner's ETJ.

See Article 4 of the UDO for the various overlay standards.
